

Dear Sir or Madam,

I have known Bill Parravano, founder of the nonprofit Comella Foundation, since 2002. As an osteopath who has been practicing for 25 years, I appreciate Bill's dedication to this healing art.

I'm impressed by the knowledge he has accumulated over his years of helping people regain their health and live pain free.

Bill has a strong background in osteopathic principles and techniques, which he uses quite effectively. In fact, he has done body work on me and I can attest to his skill. I have full confidence in his abilities.

Osteopathically,
